## SUPPLEMENTARY INFORMATION:

# I. Background

Purpose of the Committee

MCSAC was established to provide FMCSA with advice and recommendations on motor carrier safety programs and motor carrier safety regulations. MCSAC is composed of up to 25 voting representatives from safety advocacy, safety enforcement, labor, and industry stakeholders of motor carrier safety. The diversity of the Committee ensures the requisite range of views and expertise necessary to discharge its responsibilities. The committee operates as a discretionary committee under the authority of the U.S. Department of Transportation (DOT), established in accordance with the provisions of the Federal Advisory Committee Act (FACA), as amended 5 U.S.C. App. 2.

## Meeting Agenda

On Tuesday, the MCSAC will begin considering Task 21-1, relating to supply chains for the transportation industrial base. Task 21–1 will include discussions about workforce skills for the motor carrier sector and identified gaps, opportunities, and potential best practices in meeting the future workforce needs and driver retention for the motor carrier industry, as well as the role of transportation systems in supporting existing supply chains and risks associated with those transportation systems and the safe and efficient transportation of passengers and freight across our Nation. Following its initial consideration of data and presentations on the topic, the MCSAC
